Dear Liu Fang,

On behalf of the Canadian Commission for UNESCO, I would like to thank you for your wonderful contribution to our 50<sup>th</sup> anniversary celebration on Friday, March 17, 2006, which took place during the Commission's 46<sup>th</sup> Annual General Meeting in Montreal.

Through your mastery of your art form and the professionalism of your performance, you demonstrated in a concrete way the importance of preserving the cultural heritage of humanity and breathing new life into it for present and future generations. From the warm reception of the audience and its enthusiastic applause, it was clear that everyone was moved and excited by your performance.

Thank you again for helping us to celebrate and promote UNESCO's work in Canada.

Yours sincerely,

David A. Walden  
Secretary-General

P.S. I enclose a copy of the programme of the evening for your records.
