

"... Lyrical themes are embellished with silences and majestic tonal "nuances. ...the music of Chinese Liu Fang, virtuoso of the pipa, ..., seems to emerge from the soul with thrilling and total clarity." - GEO magazine (France), 2006

The internationally acclaimed virtuoso on Pipa and Guzheng

# Liu Fang

(China/Canada)

**THURSDAY, OCTOBER 30th**  
2:15 p.m. to 3:15 p.m.

**FIBES AUDITORIUM AL-ANDALUS**

**C**ROSS CURRENT MUSIC and PHILMULTIC are pleased to invite you to discover the masterful and deeply spirited PIPA and GUZHENG performance of Liu Fang, who is described as "possessing virtuoso technique, grace and a unique empathy toward the music she plays - whether it is a traditional and folk tune or a modern Western composition" (All Music Guide). Chinese born and based in Montreal and Paris, Liu Fang has performed numerous concerts throughout the world to critical and public acclaim, including solo recitals of Chinese traditional and classical music as well as contemporary music with orchestras, string quartets and ensembles. Liu Fang is also highly acclaimed for her "SILK AND STEEL" projects in which she collaborates with world-class musicians from various traditions. She has released 10 solo and collaborative albums. Of her more recent recordings "LE SON DE SOIE" or "THE SOUND OF SILK", on the French label Accords Croisés, won the prestigious ACADÉMIE CHARLES-CROS AWARD (the French equivalent of the Grammy). Liu Fang will do her USA solo début at SYMPHONY SPACE in New York City on NOVEMBER 20TH, 2009, presented by the World Music Institute. She performs in a special collaboration project with guests at Amsterdam's new concert hall, the MUSIEKGEBOUW, on DECEMBER 16, 2009.

We also invite you to discover her talents and a more detailed view of her career in following web sites:
